15 Cradle Close Beaumont Hills NSW

4 3 3

This young Beaumont Hills home has enjoyed the attention of a loving and dedicated owner who has worked on its natural good structure to present a home with some stunning near new features including an outdoor covered entertaining area and secure gated carport.

Each of these features are set off by the well landscaped rear yard and the home's natural location in a quiet cul-de-sac near The Outlook Nature Reserve.

Inside this substantial property has four well sized bedrooms each with built in robes and ceiling fans. The main is generous and boasts an ensuite, walk-in robe and balcony.

For indoor living there are several sun-filled areas including an upstairs rumpus, and downstairs a formal lounge and dining plus a large family/rumpus area which flows off the kitchen, featuring stainless steel appliances, gas cooking and views of the rear yard.
