- Luxurious open-plan design where the lounge area and dining space integrate seamlessly to provide the most modern of living standards.
- Gourmet Caesarstone kitchen offering generous cupboards and drawer space, along with stainless steel appliances and gas cooking.
- Stunning 180 degree uninterrupted views over Castle Hill and beyond to the Blue Mountains on the horizon. With a sought after Northerly aspect, each year winter will be welcomed, as sun fills the balcony space throughout the day and in summer, night time beckons with alfresco dining.
