

# CastleHaven

**17 Dorrigo Road North Kellyville NSW**

4 2 2

Stunning attention to detail is the hallmark of this exceptional single level home in Kellyville that has been meticulously crafted by award-winning builder W.R. Fitzsimmons Homes.

The large kitchen is the centre-piece of the home with its easy access to the multiple indoor and outdoor family living spaces. The kitchen has a number of designer features including a 40mm Caesarstone waterfall benchtop and large walk-in pantry.

Architecturally designed, the home is the epitome of modern, open-plan living and offers seamless transitions from the kitchen, meals and rumpus area to the covered, outdoor entertainment area and grassy backyard. There are four generous bedrooms and the main boasts a huge walk-in robe and ensuite bathroom with double vanities.

Another main bathroom, separate study and formal living area - which could double as a home theatre - ensure this
