All agents say big single levels are like 'hens teeth' to find! Introducing 31 squares of open plan, single level luxury on a now huge 640m² block with wide side access. Offering four big bedrooms all with built-in robes including the master with a parent's retreat, walk-in robes and a beautiful ensuite. The formal lounge offers warmth from the feature gas fireplace and the formal dining doubles as a study or library. The open-plan configuration offers high ceilings, meals atrium, huge family and a rumpus/home cinema. The focal point is the stunning gourmet kitchen, with its Caesarstone bench tops and the state of the art appliances. Through the traditional bi-fold doors, we find the north facing alfresco entertaining area, which overlooks the six-seater spa pool, rear yard with its wide side access. Quality extras include automatic blinds, plantation shutters, in-built sound system, reverse cycle ducted air, double auto garaging with internal access and an irrigation system.
