This massive home situated in the eye of a quiet cul-de-sac minutes from Castle Towers and opposite a picturesque reserve offers a multitude of fine living. With a generous lounge room with 12ft ceilings, you step up to the stunning polyurethane and stainless steel kitchen with island bench. This is opposite the dining room and balcony that overlook the peaceful reserve. The main level also has a big rumpus or home theatre room and a bedroom complete with its own ensuite bathroom. Upstairs are three other bedrooms, the master being a palatial size with parent's retreat, huge walk-in wardrobe and substantial ensuite with double shower and spa bath. Bedrooms 3 and 4 are a good size both with ample built-ins. The laundry is on this level with the unusual feature at a "drying room" a high ceilinged glass roof room for hanging your clothes. Never have bug or birds drop on your clean washing again! The main bathroom is very large, also with a spa bath. The
