Elegantly timeless and located in an exclusive cul-de-sac amongst quality homes, this luxuriously appointed, massive residence has been constructed by Gary Young with both quality and style, and is set on a 750sqm elevated block. Attention to detail has not been spared in creating this stylish 42 square home with distinctive design and comfort throughout. Boasting four double bedrooms, crystal chandeliers, stunning timber shutters and bay windows which display elegance in the formal and family areas. The quality gourmet timber kitchen includes new Caesarstone benchtops and adjoins the breakfast conservatory and family room which flow onto the separate rumpus room. Private rear garden and a stunning water feature and the secluded pergola completes the perfect outdoor entertaining area. A grand timber staircase ascends to spacious robed bedrooms and the palatial master bedroom, encompassing robes and a luxurious ensuite
