## Castle Hill

4 3 3

Unique design offering space and coziness. Elevated ceilings give the impression of grandeur through the lounge and dining area. There are stone and timber features in the gourmet, sunny kitchen. Separate rumpus and office plus large family area combine beautifully to give this home an open feel. Four generous bedrooms with built-in robes and marble ensuite bathroom are a class act. Creature comforts are in-ground pool, ducted air-conditioning and vacuum, alarm and auto oversized double garage. Porcelain and parquetry flooring complete this fine residence, which is located in the Hills District just minutes from local shopping and Castle Towers, City & Parramatta buses and sporting facilities.
