

CastleHaven

6 Glenburnie Close Beaumont Hills NSW

A 656sqm registered block is hard to find these days, especially located in a quiet cul-de-sac with bush views. Perfectly rectangular with 43.74 metres in depth, this block lends itself to a single level design or 2 storey or even garages under to enhance the bush views. Within walking distance to local primary and high schools (Ironbark Ridge) and only a short drive to recreational complexes, Rouse Hill Town Centre and City transport links, this block would be fantastic to build your dream home for yourselves and your growing family.
