

CastleHaven

15 Gum Nut Close Kellyville NSW

4 2 2

Architecturally designed single level home recently completed by an outstanding local builder with fifty years experience building in The Hills District. The spacious living areas include a large family room and separate rumpus room which flows onto the alfresco entertaining area. Four bedrooms, ensuite bathroom and walk-in robe to master bedroom, built-in robes to all other bedrooms. The modern polytek kitchen includes stone benchtops, including dishwasher, glass splashbacks and walk-in pantry. Double auto garage with internal access. Includes ducted air conditioning, alarm, smoke detectors, landscaping, tiles and carpets, 3000l water tank, fencing, driveway & path, heater lights, exhaust fans, gas heating points, bbq point and gas hot water system. Ideally located in a landscaped avenue in Kellyville's latest exciting development. Call us now for more information.
