Better than new, this fabulous home has three large bedrooms, built-in robes and ensuite bathroom and large walk-in robe to master bedroom. Adjoining the stone and stainless steel kitchen is the tiled family-meals area that overlooks the sunlit paved alfresco BBQ area and lawned, private, rear landscaped gardens. Included in this beautifully presented residence are plantation shutters throughout, Crimsafe security screens, ducted reverse cycle air-conditioning and auto double garage with internal access. Located within easy walking distance of Norwest Shopping Centre, the business park and future rail line, it borders Castle Hill Country Club. At a time when interest rates on borrowing are at an all time low, this Kellyville home offers a sound investment.
